

Donation Request

The Johnstown-Milliken Weld RE-5J Preschool is planning the annual 2019 Children's Festival. This event is held for families with young children and is an opportunity for them to receive information about health, safety, early childhood development/education and organization/business resources in our community. The environment is meant to be fun, inviting and engaging.

The Children's Festival is seeking donated items for two features of the event.

Swagger

The "Swagger" is similar to a Cake Walk. (It is played like a cake walk, but the items do not have to be baked goods.) This game will be held at regular intervals throughout the day for attendees (*ages 2-12*). The purpose of the *swagger* is to have a fun activity that will attract visitors all day and provide a way for children to win substantial prizes. It also benefits those who donate items because it gives them an opportunity to promote their organization/ business.

The donated items will be prizes for the swagger. Businesses are encouraged to include items that directly promote their business such as coupons, a free trial of their service, or a free sample of their product, but please remember that the items need to be attractive to young children. Items attractive to children may include books, stuffed animals, puppets, games, toys, puzzles, candy, baked goods (\$5-20 value). Perhaps consider a small gift basket with a combination of a couple items. Thank you.

Silent Auction Items

The Johnstown Milliken District Preschool PTO is holding a silent auction at the Children's Festival with all proceeds going toward raising funds for a canopy to provide shade for the preschool playground at Milliken Elementary. Items that appeal to adults for the silent auction are greatly appreciated.

Thank you !!
