

2019 Entertainment Registration Form

Event Date Saturday, April 6, 2019 10:00am – 3:00pm

Entertainment & Interactive Audience Participation Activities

Entertainment is a significant part of the Children's Festival. It showcases the talents/skills that are cultivated in our children by local programs and businesses. This event provides a unique performance opportunity and great time for the families of the young talent to see a performance and enjoy the other festivities together. In addition to entertainment provided by children in our community, there may be performances that appeal to children, and the opportunity for interactive audience participation activities. Some examples of the schedule may include:

- Martial arts demos
- Piano performances
- Dance routines, Cheerleading
- Safety Demo
- Robotics Demo
- Story Telling
